The NN North Sea Jazz Festival is a well-known and very popular three-day festival for jazz, blues, funk, hip-hop, world, and pop enthusiasts.

In this special edition, celebrating the festival's fiftieth anniversary, that feeling is stronger than ever. It is so beloved that it has sold out consistently for decades.

Guests from all over the world, both for business and leisure, gather to enjoy all the artists and the fantastic music. World-famous musicians and emerging talents captivate and move the entire Rotterdam Ahoy. With a wide variety of artists and more than fifteen stages, there's something for everyone.

In July, Rotterdam transforms temporarily into the jazz capital of the world. For two weeks, the city is centered around concerts in clubs and on other stages. Rotterdam Ahoy hosts a grand finale, this year on July 10, 11, and 12th, 2026.

SPECIAL GUEST APPEARANCE!

A photograph of a jazz band performing on a stage in a dimly lit club. In the foreground, a man in a dark suit is seated at a grand piano, playing. Behind him, another man in a dark suit stands and sings into a microphone. To the right, a third man in a dark suit is seated and playing an electric guitar. The stage is lit with warm, golden light. A large, diverse audience is seated in the foreground, watching the performance. The background features a large, ornate chandelier and a wall of mirrors.

The moment we strongly recommend being in the VIP lounge is during the special guest appearance — a unique and intimate performance where you come face-to-face with one of the NN North Sea Jazz artists. Exclusive and reserved only for our Birdland VIP guests.

**We take care of everything for you,
